ISSUED BY: London Borough of Havering

1. **THIS IS A FORMAL NOTICE** which is issued by the London Borough of Havering ("the Council") because it appears to the Council that there has been a breach of planning control, under Section 171A(1)(a) of the above Act, at the land described below. The Council considers that it is expedient to issue this Notice,

having regard to the provisions of the development plan and to other material planning considerations.

2. THE LAND AFFECTED

Folkes Farm, Folkes Lane, Upminster, Essex, RM14 1TH (registered at the Land Registry under title number EGL521449) and shown hatched black on the attached plan ("the Land").

3. THE BREACH OF PLANNING CONTROL ALLEGED

Without planning permission the material change of use of:

- (a) the Land for the unauthorised purpose of vehicle related activities including dismantling and/or sale of vehicles, open storage and/or sale of vehicles, car parts, vehicle accessories, scrap metal, caravans, skips and containers;
- (b) outbuildings on the Land for office and storage use.

4. REASONS FOR ISSUING THIS NOTICE

It appears to the Council that the above breach of planning control has occurred within the last ten years.

The Land lies within the Metropolitan Green Belt. The unauthorised use of the Land has a materially harmful impact on the Metropolitan Green Belt. The unauthorised use is detrimental to the visual amenity and character of the surrounding area in general and is harmful to the essential open nature of this part of the Metropolitan Green belt.

Both national and local planning policies provide for the protection of the Metropolitan Green Belt, the fundamental aim of Green Belts being to prevent urban sprawl by keeping land permanently open.

There is a general presumption against inappropriate development in the Green Belt and such development should not be approved except in very special circumstances. Inappropriate development is by definition harmful to the Green Belt. Very special circumstances to justify inappropriate development will not exist unless harm, by reason of inappropriateness and any other harm, is clearly outweighed by other considerations.

In this case no special circumstances have been demonstrated and therefore the development is contrary to policies NPPF (paragraphs 79-92 Green Belt) DC45, DC61 of the Local Development Framework and Policy 7.16 of the London Plan (2013 Rema)

The unauthorised use of the Land is detrimental to the visual amenities and character of the surrounding area in general and harmful to the essential open nature of this part of the Metropolitan Green Belt, contrary to policy.

The unauthorised use creates noise and disturbance through commercial activity including vehicle and plant movement which is unacceptably detrimental to the amenities of occupiers of neighbouring properties contrary to policy DC61 of the

Further the unauthorised use industrialises and intensifies commercial activity in the Metropolitan Green Belt causing damage to wildlife and landscape as well as producing additional traffic movements in a rural lane degrading the quality of the road and compromising highway safety.

The Council do not consider that planning permission should be given, because planning conditions could not overcome these problems.

5. WHAT YOU ARE REQUIRED TO DO
