ISSUED BY: London Borough of Havering

1. **THIS IS A FORMAL NOTICE** which is issued by the Council because it appears to the Council that there has been a breach of planning control, under Section 171A(1)(a) of the above Act, at the land described below. They consider that it is expedient to issue this Notice, having regard to the provisions of the development plan and to other material planning considerations.

2. **THE LAND AFFECTED**

That part of the land shown cross-hatched black on the attached plan which forms part of Tomkyns Manor Tomkyns Lane Upminster RM14 1TP, registered at HM Land Registry under Title Number EGL374410 and outlined black on the attached plan ("the Land").

3. **THE BREACH OF PLANNING CONTROL ALLEGED**

Without planning permission, the formation of hard surfaced areas on the Land which provides an access road and parking, and which is shown cross-hatched black on the attached plan.

4. **REASONS FOR ISSUING THIS NOTICE**

It appears to the Council that the above breach of planning control has occurred within the last four years. The hardstanding in question was substantially completed

less than four years ago. The site lies within the Metropolitan Green Belt. The hardstanding areas, as constructed, fail to preserve the openness of the Green Belt and constitute inappropriate development. The hardstanding areas have a harmful impact on the openness and visual amenity of the area. There are no very special circumstances that overcome the identified harm. The Council do not consider that planning permission should be given, because planning conditions could not overcome these problems.

In making its decision to issue this Notice the Council considered that the unauthorised use is contrary to the following policies of the Local Development Framework: policies DC61 and DC45. It is also contrary to National Planning Policy Framework guidance

5. WHAT YOU ARE REQUIRED TO DO

- (i) Remove the unauthorised hard surface areas from the Land

Time for compliance: 9 months from the effective date of this notice

- (ii) Restore that part of the Land cross-hatched black on the plan attached to the condition prior to the formation of the hard surface areas

Time for compliance: 9 months from the effective date of this notice

- (iii) Remove from the Land all materials resulting from compliance with (i) and (ii) above

Time for compliance: 9 months from the effective date of this notice
