ISSUED BY: London Borough of Havering

1. **THIS IS A FORMAL NOTICE** which is issued by the London Borough of Havering ("the Council") because it appears to the Council that there has been a breach of planning control, under Section 171A(1)(a) of the above Act, at the land described below. The Council considers that it is expedient to issue this Notice, having regard to the provisions of the development plan and to other material planning considerations.

2. **THE LAND AFFECTED**

The land and property known as 15 Kensington Road, Romford, Essex RM7 9DA shown edged in black on the attached plan ("the Property").

3. **THE BREACH OF PLANNING CONTROL ALLEGED**

Without planning permission the erection of a single storey rear extension.

4. **REASONS FOR ISSUING THIS NOTICE**

It appears to the Council that the above breach of planning control has occurred within the last four years.

The unauthorised rear extension materially prejudices the living conditions of the occupiers of a neighbouring property. The extension has resulted unacceptable overshadowing and loss of light to the neighbouring property.

The unauthorised extension is contrary to Policy DC61 of the adopted Local Development Framework Development Control Policies DPD and Supplementary Design Guidance for Residential Extensions and Alterations.

The unauthorised extension does not constitute permitted development under the General Permitted Development Order 1995 (as amended).

The Council does not consider that planning permission should be given, because planning conditions could not overcome these problems.

An application for retrospective Planning Permission for the retention of the extension was submitted in April 2007 and refused by the Council in June 2007. A subsequent appeal was dismissed by the Planning Inspectorate in October 2008.

5. WHAT YOU ARE REQUIRED TO DO

- (i) Remove the unauthorised extension from the Property.

Time for compliance: 3 months from the effective date of this notice.

- (ii) Remove all materials, machinery, apparatus, equipment and installations used in connection with or resulting from the removal of the extension.

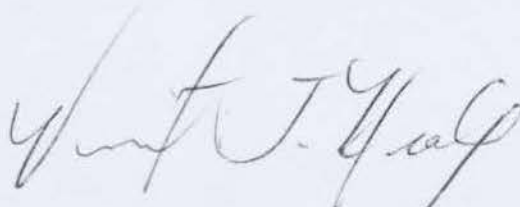

Time for compliance: 3 months from the effective date of this notice.

6. WHEN THIS NOTICE TAKES EFFECT

This Notice takes effect on 17 April 2009, unless an appeal is made against it beforehand
