(as amended by the Planning and Compensation Act 1991)**

**ENFORCEMENT REFERENCE: ENF/428/21**

**ENFORCEMENT NOTICE**

**ISSUED BY:** London Borough of Havering (herein after referred to as “the Council”)

1. **THIS IS A FORMAL NOTICE** which is issued by the Council because it appears to the Council that there has been a breach of planning control, under Section 171A(1)(a) of the above Act, at the land described below. They consider that it is expedient to issue this Notice, having regard to the provisions of the development plan and to other material planning considerations.

2. **THE LAND AFFECTED**

The land known as **74-76 Brentwood Road, Romford, RM1 2EL**, shown edged in black on the attached plan and is registered with HM Land Registry under title numbers EGL107627, and EX91798.

3. **THE BREACH OF PLANNING CONTROL ALLEGED**

Without planning permission, the installation of click and collect facilities (the InLink parcel collection lockers).

4. **REASONS FOR ISSUING THIS NOTICE**

- (1) It appears to the Council that the above breach of planning control has occurred within the last four years and that steps should be taken to remedy the breach by Section 173 4(a) or to remedy any injury to amenity which has been caused by the breach.
- (2) The click and collect facilities (Amazon collection lockers), by virtue of its siting and design, has resulted in an substantial and bulky development which is intrusive and out of character with the surrounding open and spacious setting of the streetscene and the public realm more generally. The development is contrary to the objectives of Policy 26 and 27 of the Havering Local Plan 2016-2031, Policies D1 and D4 of the London Plan 2021 and Development Control Policies Development Plan Document and the provisions of the National Planning Policy Framework.
- (3) The unauthorised development, by reason of its bulk, mass, scale, siting and situation, has resulted in significant detrimental impact on the amenity of the adjacent property (No78 Brentwood Road). This results in an unacceptable impact on the amenity of No.78 (including customers and patrons of the business) in terms of the impact on natural light, an increased sense of enclosure, and the overbearing nature of development. The development is

contrary to the objectives of Policy 26 and 27 of the Havering Local Plan 2016-2031, Policies D1 and D4 of the London Plan 2021 and Development Control Policies Development Plan Document and the provisions of the National Planning Policy Framework, including paragraph 187.

- (4) The Council does not consider that planning permission should be granted due to the adverse impact on the impact on the road, the pedestrian pavement, the adjacent businesses, and the character of the area more generally. Furthermore, it is not clear if any conditions can address the identified concerns, or if any such conditions would be enforceable in any event.
