

## **ENFORCEMENT NOTICE B**

### **PARK FARM, EASTERN AVENUE EAST, ROMFORD RM3 7NR**

**IMPORTANT - THIS COMMUNICATION AFFECTS YOUR PROPERTY**

**TOWN AND COUNTRY PLANNING ACT 1990  
(as amended by the Planning and Compensation Act 1991)**

**ENFORCEMENT REFERENCE: ENF/648/20**

### **ENFORCEMENT NOTICE**

**ISSUED BY:** London Borough of Havering (herein after referred to as “the Council”)

1. **THIS IS A FORMAL NOTICE** which is issued by the Council because it appears to the Council that there has been a breach of planning control, under Section 171A(1)(a) of the above Act, at the land described below. They consider that it is expedient to issue this Notice, having regard to the provisions of the development plan and to other material planning considerations.

#### **2. THE LAND AFFECTED**

The land known as **PARK FARM, EASTERN AVENUE EAST, ROMFORD RM3 7NR**, shown edged in black on the attached plan and is registered under Land Registry Title Number BGL 158117.

#### **3. THE BREACH OF PLANNING CONTROL ALLEGED**

Without planning permission:

- i. Within the last 4 years, unauthorised operational development of formation of bunds approximately 2m high on the northern, western and southern sides of site. (Shown in yellow on the attached plan).
- ii. Within the last 4 years, unauthorised operational development of boundary fence between 1.8 – 2m high and gates using bricks and timber frames (Lattice fencing) on the eastern and southern sides of the site. (Shown in red on the attached plan).
- iii. Within the last 4 years, unauthorised operational development of access road constructed concrete on the east of Plot D running north to south between Park Farm and Meadow Farm. (Shown grey on the attached plan).
- iv. Within the last 4 years, unauthorised operational development increasing land levels by importation of building materials and rubble to undeveloped land to south of the bungalow in Plot D identified on the attached site plan

- v. Within the last 4 years, the erection of street lamps marked X in Plot D identified on the attached plan in the undeveloped land within the site.

#### **4. REASONS FOR ISSUING THIS NOTICE**

- (1) It appears to the Council that the above breaches of planning control have occurred within the last FOUR years. Steps should be taken to remedy the breach by Section 173 4(a) or to remedy any injury to amenity which has been caused by the breach.
- (2) In making its decision to issue these Notices, the Council contends that the unauthorised uses of the land are contrary to the provisions of the National Planning Policy Framework (NPPF 2021).
- (3) The formation of bunds, erection of street lamps, erection of boundary fences, increase of land levels and construction of roads represents inappropriate development in the Green Belt and fails to preserve the openness of the Green Belt and conflicts with the purposes of including land in the Green Belt. The land is located in the Metropolitan Green Belt. The scale/nature of the unauthorised operational development has a significant impact on the openness of the Green Belt. The alleged breaches of planning control are materially harmful to the visual amenity and open character of the surrounding area. These developments conflict with the purposes of including land in the Green Belt contrary to Local Plan Policies 18, 19, 20, 24, 26, 27, 29, 31, 32 and London Plan Policies D1, G2, G3, G4, SI 12 and the policy in National Planning Policy Framework 2021.
- (4) The laying of hard surfacing, construction of road using concrete and raising of land levels lacks suitable drainage. No assessment is available regarding flood risk issues and therefore conflicts with Local Plan Policy 32 and the policy contained within the National Planning Policy Framework 2021.
- (5) The Council does not consider that planning permission should be granted for the development because conditions attached to any consent cannot remedy the breach.
