open appearance of the Green Belt. The decking contribute to the intensification of the use of the site, resulting in unacceptable increase in noise and disturbance for occupiers of adjoining residential properties due to unacceptable increase in traffic on a sub-standard drive and access to the highway, Aveley Road, to the detriment of the free and safe flow of traffic. The Council do not consider that planning permission should be given, because planning conditions could not overcome these problems.

In making its decision to issue this Notice the Council considered that the unauthorised use is contrary to the following policies of the Local Development Framework: policies DC32, DC33, DC45 and DC61.
