 3. Carle Stephen Wootton of Mill House, 8 Cranham Hall Mews, The Chase, Upminster, Essex RM14 3DB
 4. Kim Katherine Richardson of Mill House, 8 Cranham Hall Mews, The Chase, Upminster, Essex RM14 3DB

ISSUED BY: London Borough of Havering

1. **THIS IS A FORMAL NOTICE** which is issued by the London Borough of Havering ("the Council") because it appears to the Council that there has been a breach of planning control, under Section 171A(1)(b) of the above Act, at the land described below. The Council considers that it is expedient to issue this Notice, having regard to the provisions of the development plan and to other material planning considerations.

2. **THE LAND AFFECTED**

The land and property known as Mill House, 8 Cranham Hall Mews, The Chase, Upminster, Essex RM14 3DB (Reg. Title No. EGL566031) shown outlined in bold black on the attached copy of the title plan labelled "EGL566031" ("the Land").

3. **THE BREACH OF PLANNING CONTROL ALLEGED**

Without planning permission, the unauthorised erection of the outbuilding indicated on the attached Plan labelled "Unauthorised outbuilding – 8 Cranham Hall Mews".

4. **REASONS FOR ISSUING THIS NOTICE**

The outbuilding has been erected in breach of condition 14 of planning permission P1707.07 the text of which is copied below:

Condition 14

"Notwithstanding the provision of Schedule 2, Part 1 of the Town and Country Planning (General Permitted Development) Order, there shall be no enlargement, improvement or other alteration to the dwelling houses; no

addition or alteration to their roofs; no external porches; no other outbuildings or enclosures created anywhere within the curtilage as defined by the redline application site plan reference 841/10C; no hardstanding within the curtilage or provision for storage of oil for domestic heating, without the prior consent in writing of the Local Planning Authority.

Reason: In the interests of maintaining the character and appearance of Cranham Conservation Area.”

A copy of site plan reference 841/10C of P1707.07 is attached to this Notice.

It appears to the Council that the above breach of planning control has occurred within the last 10 years.

The reason for condition 14 was to maintain the character and appearance of Cranham Conservation Area.

The erection of this outbuilding is considered to be a development which by reason of its extent appearance and siting would appear to be materially harmful to the special character and appearance of the Cranham Conservation Area contrary to Policy DC68, Development Control Policies and Development Plan Documents (“DPD”) of the Local Development Framework (“LDF”).

The outbuilding also results in encroachment into the countryside and would therefore be considered an inappropriate development in the Metropolitan Green Belt. No very special circumstances have been identified in this case and it is contrary to Policy DC45 of the LDF Development Control Policies, DPD and the provisions of guidance PPG2.

The Council do not consider that planning permission should be given because further conditions would not overcome clear policy-led objections to the development.

In making its decision to issue this Notice the Council considered that the relevant policies are: policies DC22, DC45, DC47, DC61 and DC68 of the LDF Development Control Policies DPD; the Cranham Conservation Area Character Appraisal and Management proposals London Plan Policies 7.8 and 7.16; guidance PPS5 planning for historic environment, PPG2 Green Belts and the Cranham Conservation Area Article 4 Direction.
