ENFORCEMENT NOTICE

ISSUED BY: London Borough of Havering (herein after referred to as “the Council”)

- 1. THIS IS A FORMAL NOTICE** which is issued by the Council because it appears to the Council that there has been a breach of planning control, under Section 171A(1)(a) of the above Act, at the land described below. Without the benefit of planning permission, the construction of rear and side dormer windows.

4. REASONS FOR ISSUING THIS NOTICE

- (1) It appears to the Council that the above breach of planning control has occurred within the last four years and that steps should be taken to remedy the breach by Section 173 4(a) or to remedy any injury to amenity which has been caused by the breach.
- (2) It is considered that the appearance of the dormers at roof level in both the flank and rear elevations creates an incongruous and intrusive feature within the roofscape of the area due to the unsympathetic materials used, harmful to both the host dwelling and the wider streetscene and goes against the grain of the architecture of both the host dwelling and the immediate neighbouring houses, contrary to Policy 7 (Residential Design and Amenity) of the Havering Local Plan 2016-2031, Policy D1 of the London Plan 2021 and is contrary to the Residential Extensions and Alterations SPD 2011 and the NPPF (July 2021).

(3) The Council does not consider that planning permission should be granted because conditions attached to any consent would not overcome these problems.
