**IMPORTANT - THIS COMMUNICATION AFFECTS YOUR PROPERTY**

**TOWN AND COUNTRY PLANNING ACT 1990  
(as amended by the Planning and Compensation Act 1991)**

**ENFORCEMENT REFERENCE: ENF/219/24**

## **ENFORCEMENT NOTICE**

**ISSUED BY:** London Borough of Havering (herein after referred to as “the Council”)

- 1. THIS IS A FORMAL NOTICE** which is issued by the Council because it appears to the Council that there has been a breach of planning control, under Section 171A(1)(a) of the above Act, at the land described below. They consider that it is expedient to issue this Notice, having regard to the provisions of the development plan and to other material planning considerations.

- 2. THE LAND AFFECTED**

The land known as **10-12 RONEO CORNER, HORNCHURCH RM12 4TN** shown edged in black on the attached plan.

- 3. THE BREACH OF PLANNING CONTROL ALLEGED**

Without planning permission, the material change of use of the premises to an auto service centre including tyre and exhaust fitting (sui generis).

- 4. REASONS FOR ISSUING THIS NOTICE**

(1) It appears to the Council that the above breach of planning control has occurred within the last ten years and that steps should be taken to remedy the breach by Section 173 4(a) or to remedy any injury to amenity which has been caused by the breach.

(2) The use of the premises for vehicle repair, servicing and tyre fitting by reason of its location and proximity to neighbouring premises and in the absence of a detailed noise/acoustic assessment, results in an unsatisfactory relationship by way of noise and disturbance to surrounding neighbouring properties. Through a combination of the levels of potential activity, uncertainty over noise from comings/goings and in the absence of a compelling case otherwise, the use is contrary to the objectives of the Havering Local Plan 2016-2031 Policies 13 and 34 through being detrimental to the amenity of surrounding occupiers. There is also conflict with the objectives of the National Planning Policy Framework (“NPPF”), in particular paragraph 135 which requires development

to provide a high standard of amenity for existing and future users and not undermine community cohesion.

(3) The use of the premises for vehicle repair/servicing by reason of the physical character of the site, location and proximity to the footway and in the absence of evidence otherwise, has increased movement to and from the site in a manner which has not been proven not to be harmful to highway and pedestrian safety. The development is therefore contrary to Policies 23 and 24 of the Havering Local Plan 2016-2031, Policy T6 of the London Plan 2021, and to the objectives of the NPPF specifically paragraph 115.

(4) The Council does not consider that planning permission should be granted because planning conditions attached to any consent would not overcome these problems and because planning permission has already been refused under application P1022.24.

## **5. WHAT YOU ARE REQUIRED TO DO**

1. Cease the use as an auto service or repair centre and cease any use for tyre and exhaust fitting;
